Personal info, username and URL

Username and URL

<https://learn.microsoft.com/en-gb/users/>

Changing your username will break any existing links to your profile

[Change picture](#)

Display name *

The name that appears on your public profile, printable achievements, certificates, and transcript.

Legal name

Required to register for certification exams.

First name *

Middle name

Last name *

Ooha

Sri Naga Durga

Yenuga

Enter your legal name EXACTLY as it appears on your Government Issued ID. You must take this ID to the certification exam and the proctor will check that they match. If you don't have a legal last name, please enter _ in the last name field.

☐ Checking this box indicates that you acknowledge your legal name to be entered correctly.

Account Management

You can have up to five school or work accounts  and one personal account  linked to your profile to use for signing in. Linking a personal account allows you to retain your certifications, skills, and training data that was gathered on your work or school accounts if you leave those organizations. Linking a school or work account allows you to share your learning progress data with your organization.
